

## GOLDEN ANNIVERSARY.

## FIFTY YEARS' LABOR IN ONE VINEYARD.

The Record of a Well-spent Life—Celebration of the Fiftieth Anniversary of a Priest's Pastorate—Imposing Services at Church—Touching Offering From Children—Public Congratulations to a Faithful Shepherd.

Special Correspondence of the Republican.

LAWRENCE, Oct. 13.—Fifty years ago there can be said to have been no man more lamented than Father Holland, pastor of St. Mary's church.

He had here a small stone church, then seventy-eight years old, with dweltings attached, both commodious enough for the needs of parochial life. After half a century of years of age, you may say, for the performance of the duties assigned him, but broken in health by a life of constant study. It was thought he could not possibly live more than a few months.

He had given his entire life to his church, and was able to attest to the arduous duties of his pastorate. The services of the church were the standard of Philadelphia last June, will show some of the duties he performed.

He had the most important positions,

in the city, and the first night

giving your entrance is the choral face,

then the kind and affable reception interposed,

and the smile with which you approach him, you find yourself

in the presence of a man who has

never been weary.
